MAKE IT EASY TO SOURCE FROM CHINA

<http://vtssourcing.com>

COMPANY OVERVIEW

INTRODUCTION

Since 2008, we have been committed to providing high-quality China sourcing services to African customers. Headquartered in Huangpu, Guangzhou, our business covers major markets such as Mauritius, Kenya, Madagascar, Seychelles and Reunion Island. In order to better serve our customers, we have our own office and warehouse in Mauritius.

We focus on providing professional procurement support for home designers, villa and apartment projects, and individual wholesalers, helping customers to obtain the required goods efficiently and accurately.

Mainly Questions We Will Talk About

- What is the purpose of this procurement?
- What are the questions and problems you currently have?
- What requirements do you have for the products?
- Do you have any specifications regarding dimensions, colours, or similar attributes?
- What quantity do you require or will need?
- Is this a one-off requirement or a long-term supply arrangement?
- When would you like to receive these goods/ services? Is there any urgency involved?
- How much shipping cost is about and any other charges will be involved?
- How many days will be reach in your country?

How to do as a new?

1. What kind of products is hot selling or in lack of supply in the local markets?
 - You do some research in your local or search for latest items on website.
2. Share me some items which you are interested in or from your search.
 - Any pictures or links will be more helpful for our checking, and only the products names we will be confused and cannot make sure which models you are looking for.
3. Is there any limitness of products for shipment?
 - Any chemical products like liquid or powder, we cannot handle, battery products are very dangerous and cannot be allowed to load into the container. Any branded items we only can sent them by express and only for small parcel.
4. Is there any hidden charges will be involved?
 - we are working for many clients for many years and we will make a clear quotation list for your checking and you can check the price for each items and each parts.

What Does 1 CBM (1 Cubic Meter) Look Like?

1. Physical Size

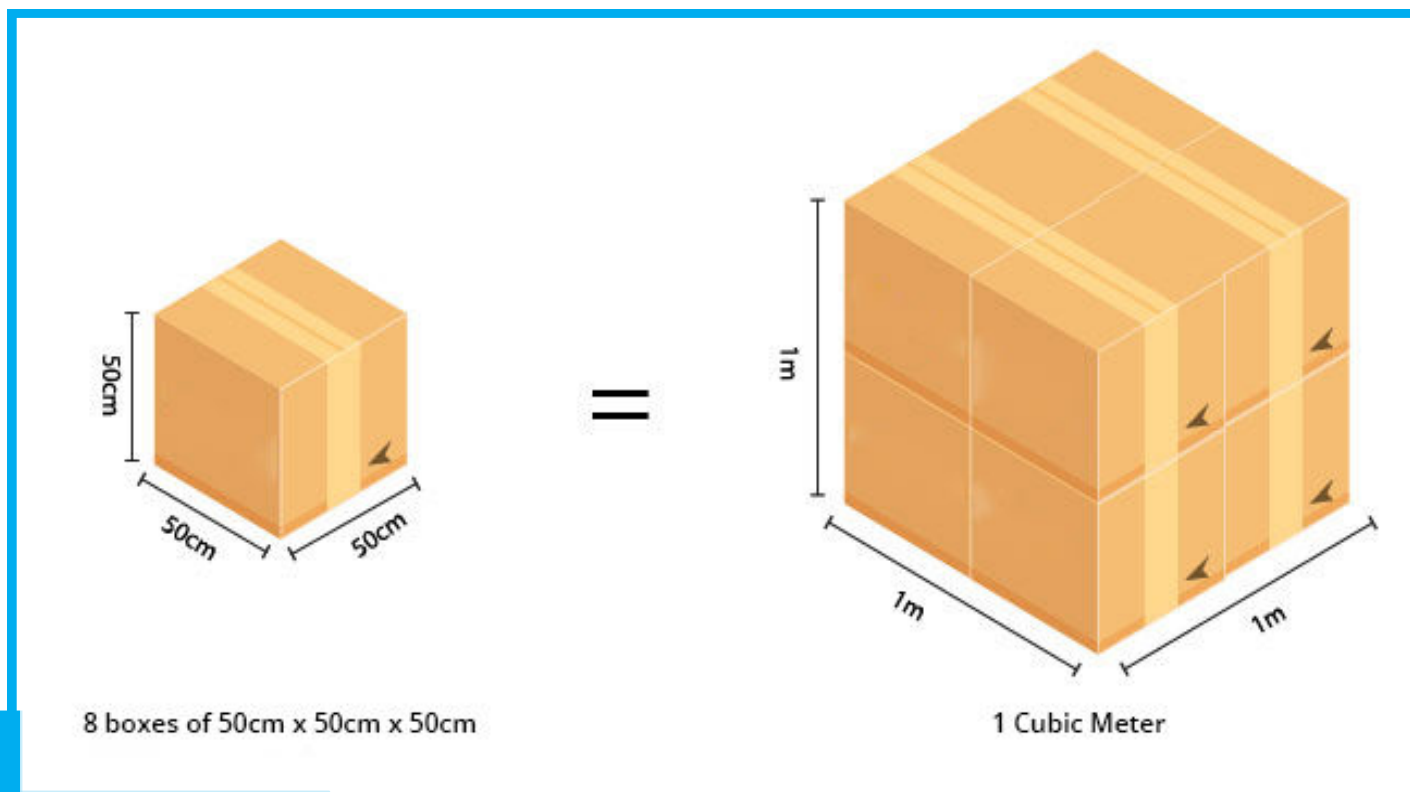

- A cube measuring 1m × 1m × 1m

2. Cartons / Parcels

- A common export carton (60cm × 40cm × 40cm ≈ 0.096 CBM)
About 10 such cartons = 1 CBM

3. In Logistics (Practical Meaning)

- 1 CBM ≈ 200 kg (commonly used billing conversion)
Takes up about the space of one cubic cargo slot in a shipping container.
